

Dear Customer,

Thank you for purchasing our Flexible Autos Excess Refund Product. Your car group has an insurance excess in the event of damage or theft to the rental vehicle. Please note that this product is NOT an insurance excess waiver and will not eliminate your need to leave a credit card deposit in the lead drivers name and you must have available funds to cover the cost of the excess as this amount will be pre-authorised on your card (the cost of the excess is advised on your car rental voucher in the Excess and Deposit section). If the car is damaged or stolen the local supplier will deduct part or all of this excess deposit from the lead drivers card. The amount of the excess will depend on vehicle size and supplier. With our policy you will be able to reclaim for the following in the event that your car is damaged or stolen:

- | | |
|----------------------------------|---|
| ✓ Excess Refund (up to £3000.00) | ✓ Key Replacement (Up to £500.00) |
| ✓ Wrong / Frozen fuel | ✓ Towing (up to £2000.00) |
| ✓ Windows / Glass / Windscreens | ✓ Missing Jack / Safety vests and triangles |
| ✓ Tyres / rims / wheels | ✓ Aerials |
| ✓ Undercarriage | ✓ Undercarriage |
| ✓ Roof | |

However, you will not be covered for the following exclusions:

Where any rental vehicle has been driven off-road, on un-tarmacked roads, without due care and attention or has been deemed negligent or careless driving any law enforcement agency

- ➔ Where the driver is under the influence of alcohol or drugs
- ➔ Where the driver(s) is not been named on the rental agreement
- ➔ When damage is caused by the rental vehicle being towed away by any unauthorised third party
- ➔ Traffic and Parking fines & admin fee's relating to these charges.
- ➔ Where the car is stolen due to negligence e.g. keys left in the car.
- ➔ Not available on prestige car hire
- ➔ Damage is caused by either gravel, sand or ash
- ➔ Where the customer is found to be negligent under the Supplier terms and conditions

Please note that by the purchase of the Excess Refund Product your rental does not include any insurances that will be offered on collection of your vehicle. The offered insurances will be to either reduce or eliminate your advised excess by the local supplier, if you do decide to accept any of these options you will not be able to claim back the cost of any insurances signed for and accepted locally. In the event that you have a claim, you can submit your details by either telephoning +44 (0) 800 254 5101 (9am-5pm Mon-Fri) or email us at customerrelations@flexibleautos.com

Please provide as much information as possible and a copy of any paperwork (damage reports/police reports/invoice of repair costs) and credit card statements will help speed up the resolution time on your claim.

Please note that the Excess Refund Product is not an insurance but a service provided by Flexible Autos and is therefore not governed by the FCA.

Successful claims will be paid within 28 days of receipt. (Please note that claims involving third parties can take up to 90 days to resolve).

Kind regards

The Flexible Autos Team
